A BETTER EXPERIENCE

Most of The Blake communities are newer than competitors in the areas we serve, giving residents a cleaner, fresher environment to call home. Each location is designed to enhance the lives of older adults, with modern architecture and tasteful interiors. Residents enjoy spacious suites with private or semi-private options, as well as social common areas.

Choosing The Blake means a better experience for those you love most.

HOSPITALITY

We know that food plays an important role in the quality of life, so our approach is hospitality-driven. To us, this means thoughtful and well-balanced menus that offer restaurant-style choices, a smiling staff, fresh flowers on the table, real china and glassware, and a team that genuinely listens and takes pride in serving our residents.

FOOD EXPERIENCE

Each day we offer our residents selections from a restaurant-style à la carte menu, which is always available. We are especially proud of our wide range of breakfast classics, such as Belgian waffles, fresh fruit with granola and yogurt, muffins, eggs, omelets, and freshly-ground coffee.

QUALITY

The Blake works with the same suppliers of fine local restaurants. That means our chefs can prepare high-quality produce, seafood, meats and seasonal specialties. We are proud to provide signature Southern cuisine that is both delicious and health-focused.

NUTRITION AND EXPERTISE

With years of experience in fine dining, our chefs and cooks at The Blake are able to prepare nutritious meals that rival the quality of the best restaurants. Our culinary team focuses on brain foods: nuts and fish rich in Omega-3 fatty acids, beans, greens, fruits and a wide array of nutrient-dense vegetables, both cooked and raw. We feature low-sugar desserts, low-sodium entrées and finger foods for our memory care residents.

EXPECT A HIGHER LEVEL OF QUALITY CARE

If someone in your life is struggling with memory loss, you understand the challenges for both the sufferer and their loved ones. So do we. We provide a calming, low-stress environment for older adults with moderate to severe memory impairments. Residents have their own dining room, spacious living areas, a secure landscaped courtyard and, of course, unmatched attention and support.

EXCLUSIVE MEMORY CARE

For residents who experience memory loss from Alzheimer's or another form of dementia, The Blake offers memory care suites that are safe, secure and designed for residents with cognitive challenges.

- Specially-designed floor plans
- A monitoring system configured to match each resident's behavioral pattern, creating a continuous protective, noninvasive security for the resident
- Customized wellness programs
- Extensive amenities customized for memory care residents
